Sports & Fitness A305 Handmade Walking Stick Carved by Bruce Burnside \$100

MSO parent Bruce Burnside has created this beautiful and unique walking stick for your walking, or viewing, pleasure!

Every stick is carefully selected, and then prepared, cut, sanded and oiled. The twisted look of this walking stick occurs naturally as vines tighten around a young sapling. This specific stick was found right here in Virginia! As you can imagine, it takes time to find the perfect sapling to harvest, which makes this truly one-of-a-kind! It really is a beautiful staff that is both sturdy and attractive. I am happy to discuss personalizing your own walking stick and making it uniquely yours, or you can take this one home today.
