We love our teachers!! Each year we offer free admission to the auction for teachers and their guests. These are all guests that attend for free but for whom we are still charged for dinner by the venue.

Will you help cover the cost of a teacher's dinner? Having this help enables us to continue offering teachers free admission year after year.

This is completely optional. If you choose to help, please return the bottom portion of the page with your payment.

Thank you for your consideration!

Regards,

Katie Meredith
Auction Chair
